

**Consent**

You are being asked to participate in a research study titled "The Development of Reasoning About Beliefs". You were selected to participate in this project because you are an adult over age 18. This study is sponsored by Boston College, the Dana Foundation, and the Alfred P. Sloan foundation.

The purpose of this is to study social decision-making, and specifically how people judge the decisions and values of others. This study will be conducted through this online survey.

The survey should take you approximately 4-5 minutes to complete. There are no direct benefits to you, but you may feel gratified knowing that you helped further the scholarly work in this research area. You will be compensated \$.44 for participating in this study. There are no costs to you associated with your participation. We do not anticipate any risks of participating in the study, though there may be unforeseen risks and discomforts. If at any time you feel uncomfortable, you are free to end the session with no penalty.

This Principal Investigator will exert all reasonable efforts to keep your responses and your identity confidential. In any report we publish, we will not include any information that will make it possible to identify a participant. Data collected from the experiment will be coded to remove your name or any other personal identifiers. All records will be secured in a locked cabinet in our lab. Access to the records will be limited to the researchers; however, please note that regulatory agencies and the Institutional Review Board and internal Boston College auditors may review the research records.

Your participation is voluntary. If you choose not to participate it will not affect your relations with Boston College. You are free to withdraw or skip questions for any reason. There are no penalties for withdrawing or skipping questions. If you have questions or concerns concerning this research at any time prior to, during, or after your participation in this study, you may contact the Principal Investigator at 617-552- 0240 or liane.young@bc.edu. If you have questions about your rights as a research participant, you may contact the Office for Research Protections, Boston College, at 617-552- 4778 or irb@bc.edu. The Boston College IRB has approved this protocol from July 29, 2016 – July 28, 2017. If you agree to the statements above and agree to participate in this study, please press the "Consent Given" button below.
